Dear Parents and Caregivers,

What a wonderful way to start the year for Year 7, Year 8, and Year 9 with three days and two nights spent out of Sydney on camp bonding as a year group. While they were exhausted on their return, the enthusiastic conversations that I witnessed really highlight the comradery that makes starting the new year that bit easier. The students were able to push themselves to their limits and gain a new understanding of how much potential they truly have while building solid relationships with both peers and teachers. They took on the challenges presented with gusto and enthusiasm, which impressed the camp staff enormously. It was wonderful for me to receive positive written reports from each of the camp leaders where the Reddam students exceeded all their expectations.

My thanks to the Year Coordinators and their team of tutors who organised and accompanied each camp.

YEAR 8 CAMP

Today, as part of our ongoing pastoral care programme, we launched the Prue Salter online study skills module for Years 11 and 12. The Year 12's have this very useful tool accessible to them throughout their HSC year to enhance their current study strategies.

Year 10 students participated in a sexual health and relationship workshop provided by Life Lessons Educational Programs.

Year 8 students participated in a workshop on language and labeling, while Year 9s had a session with the Butterfly Foundation, which dealt with self-image and body confidence.

Year 7 students spent the time with Mr. Garratt who expanded on their Orientation Programme outlining the expectations that the school has of them. This encompassed their role as members of a school and wider community and how our insistence on mutual respect plays out in each setting in which they might find themselves.

With that in mind, I would like to remind all students, and ask parents to insist that their children who travel on public transport wear face masks as directed by the NSW Health Guidelines. It has been brought to my attention that some students have not been adhering to these mandatory safety measures. These measures are to be taken seriously as part of our students' responsibility to the community.

With the end of the week looming, sport and academics are back up and running, parents and students can find the fixtures of their respective teams in this newsletter as well as an email that gets sent home from the Sports Department.

Student Achievements this week include:

Coco Batu-Sampson and her sister Jet have had their original film and soundtrack LISTEN TO OUR ELDERS selected for the 30th Flickerfest International Short Film Festival, Flickerup Official Selection. They will be attending the Flickerfest / Flickerup Screening and Awards Ceremony this weekend. Good luck and well-done girls.

Noam Olovitz has been accepted into the Taronga Youth at the Zoo (YATZ) program.

Only a limited number of applicants are accepted each year, giving him the opportunity to be involved in a range of training programs, volunteering his time (mainly during school holidays) with the guest services team, at special events, and on zoo campaigns. Well done Noam. <https://taronga.org.au/work-at-taronga/youth-at-the-zoo>

Thank you to the Commercial Ensemble for performing at today's assembly .

Next week on Thursday, the following vaccinations will take place in the Middle School for all **Year 7** students:

- ⇒ Human Papillomavirus Vaccine (HPV) - Dose 1
- ⇒ Diphtheria Tetanus & Pertussis (dTpa) 1 dose only

Students were given a consent form yesterday. These must be completed and returned to Alysse Moore at the Middle School Reception, by Wednesday 10th February.

(This form must be a hard copy and cannot be sent/received/returned electronically- NSW Health Rules.)

Have a good weekend and week ahead,

Dave Pitcairn

HSC MUSIC

Some of our HSC students began rehearsing with professional musicians this week in preparation for their Music 2 performances later this year. This is Nicole Geller rehearsing Ombra Mai Fu from the Opera Serse by G F Handel. Nicole is accompanied by string quartet and harpsichord. We are most excited by our very mature and poised students.
