Dear Parents and Caregivers,

I am sure you are aware of the petition regarding young women's experience of sexual assault which has been covered in the media over the last week.

I include one of the many articles on the topic.

<https://www.smh.com.au/education/hundreds-of-sydney-students-claim-they-were-sexually-assaulted-and-call-for-better-consent-education-20210219-p57449.html>

I applaud the courage of these young women in speaking out. Their testimonies make for disturbing reading and the fact that so many have suffered, not only sexual assault but also the long-term hurt, pain and the damage it brings, is deeply saddening.

The signatories to the petition call for sexual consent to be at the forefront of educational issues in schools from a young age. At Reddam we completely agree with this and take education on these matters very seriously.

We have a comprehensive program using internal and external providers that aims to teach these important topics in age-appropriate ways. The topics include:

- **Year 7** : sexualisation
- **Year 8** : sex and social media
- **Year 9** : sexual relationships and consent
- **Year 10** : sexual health and healthy relationships including consent

We regularly review our program and adapt it to the ever-changing needs of our students. Coincidentally the Year 10 programme was workshopped for the entire day with our students on Monday. The timing could not have been more appropriate.

I spoke about this matter in assembly at both campuses today and would like to reinforce that the doors of principals and school counsellors are always open should they wish to talk to someone safely and confidentially.

While schools have a vital role to play in educating students on these topics, parents and carers can have a big impact by helping to establish and reinforce positive attitudes and behaviours at home. With that in mind, we include a link, "How to Talk to Your Kids About Consent" to guide those discussions.

http://www.rhouse.com.au/PDF/2021/PDF/HowToTalkToYourKidsAboutConsent_V03.pdf

It was disappointing that the swimming carnival was cancelled due to poor weather on Wednesday.

Mr Kable still took the enthusiastic swimmers, who indicated they wanted to try out for the school team, along to compete. The rest of the school had a normal school day.

Year 12 artists have ventured to the Art Gallery of NSW to view the Art Express exhibition this week. They have been excited to see the standard of work produced by the HSC students of 2020 and the different interpretations of a Body Of Work. All students have come away with great ideas and inspiration for their own artmaking.

This year we are very excited to be launching "Drip by Drip 2". This will take place on Saturday 20 March. This is our second year running when we have incredible, professional muralists come and paint our Bondi basketball court wall.

The day is fun watching the artists in action, having students actively painting the murals and engaging with them. It is a community event that will include food trucks, music, local stalls and all on our very own court at Bondi. This is great for Reddam students and also our community to enjoy.

If you are interested in being involved, please email laurellen.symonds@reddamhouse.com.au

Blair Street Basketball Courts

With Artists: Salt Water Dream Time, Reubszz, Mr Mupz, Native Soul, Mulga The Artist, Samuel Hall + Sophi Odling.

We have started our own 3D Printing Club in the Reddam Design & Technology Department using our new 3D printer and students have been invited to these workshops during lunchtime.

Our first project will be to create a 3D game figurine, however, there will be plenty of opportunities to pitch new projects along the way. The club will be facilitated by our new D&T teacher, Mrs Deans who has a background in Art and Design.

Last Friday we congratulated the joint DUX for 2020, Christian Caporusso & Oliver Rice, along with the Top All Rounders & Top Achievers. It was wonderful to see them back at school and the current years 10 to 12 were greatly inspired and applauded the successes of the Class of 2020. They have paved the way for the years groups to come.

Congratulations to Elise Katholos, Zara Ajaka, Jenny Vertzayias, Ivy Hinksman and Spencer Nicklin who participated in the Malabar magic 1km ocean swim last weekend. The event raised money for the Rainbow Club Australia which provides therapy for disabled and handicapped children through swimming. A great cause.

Have a lovely weekend ahead.

HSC DRAMA

This week our HSC Drama students explored the dramatic territory of clown with Alicia Gonzalez from the Clown Institute and Clockfire Theatre Company. Alicia led a practical workshop assisting our students in furthering their preparation and understanding of theatre practitioner Jacques Lecoq's principles of *le jeu*, *disponibilite* and *complicite*. This is essential content for the HSC Course. Engaging in playful exercises designed to inform, create and entertain, Alicia built our student's receptiveness and shared understanding for how the actor must play in order to inhabit the clown. Through their openness to play our students learned first hand about the importance of preparation and exploration.

PURIM IN THE OUR BIG KITCHEN

Last week the Year 7 Hebrew Class went on an excursion to the Our Big Kitchen (OBK) to celebrate the upcoming festival of Purim. The Big Kitchen is a community kitchen that, with the help of volunteers, prepares food to be given to people in need. The Big Kitchen chef taught the students how to make Hamentashens.

Hamentashens are a sweet, triangular filled-pocket pastry, usually associated with the Jewish holiday of Purim and Haman, the villain in the Purim story. Hundreds of pastries were made by enthusiastic Reddam students to be donated to people who need it most. It was a great experience for the students.

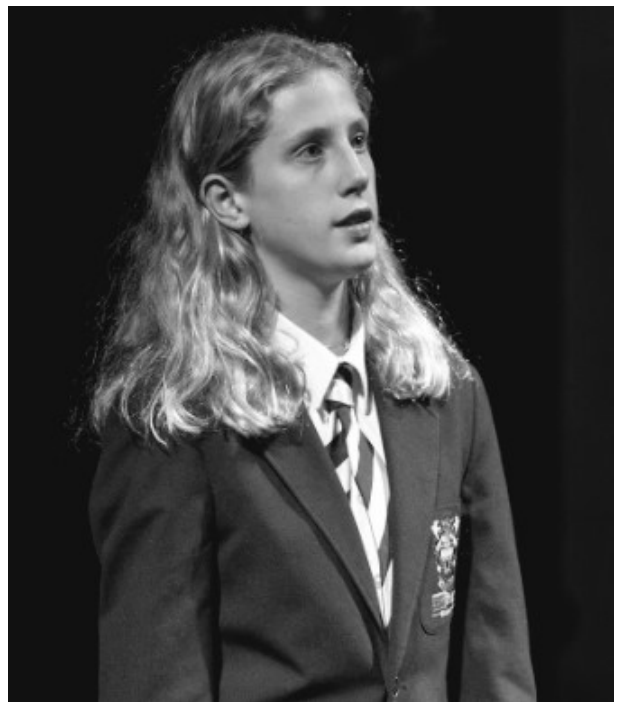

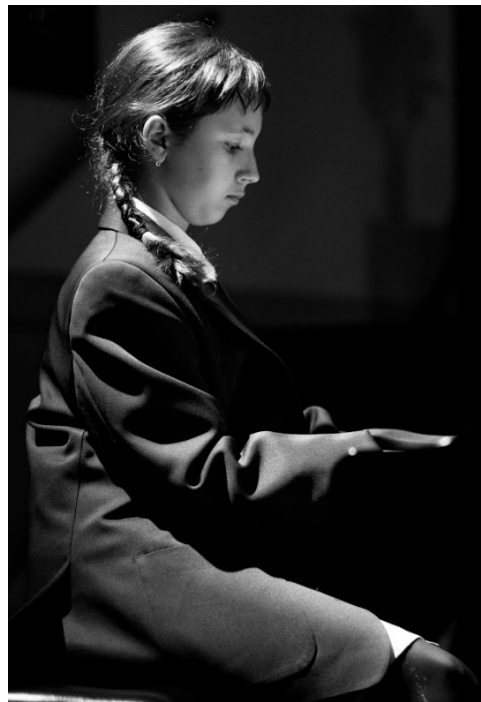

WELCOME RECITAL FILM

Please use the link below to access the film of last week's Welcome Recital. Once again, thank you to all of the students and staff for making this evening such a success. Please enjoy the varied and beautiful performances of our talented students.
