Dear Parents and Caregivers,

The Middle School leadership team was announced last Friday and I would like to congratulate the following students on being selected by their peers as House Captains or Heads of the various Portfolios.

Piper House Captain:

Oscar Peer & Robert Kaplan

Bennelong House Captain:

Oliver Sacks & Atticus Day

Darling House Captain:

Jeb Barth & Nathan Galper

Macquarie House Captain:

Emma Rosenberg & Sassy Stephens

Student Liaison:

Yana Dalglish, Jacinta Shevelev & Devan Fuchs

Head of Sport Portfolio: Edan Angus

Head of Events Portfolio: Sienna Wiles Mackay

Head of Charity Portfolio: Quynh Luu

Head of Technology Portfolio: Ben Simon

Head of Environment Portfolio: Evie Zavos

Head of Creative Portfolio: Kaolin Wolfe-Coote

Head of Photography Portfolio: Alfie Diskin

The three Junior Judiciary members who will lead the school and the Junior Executive are Sam Weidler, Alex Marucci & Noam Olovitz.

We look forward to supporting their ideas and initiatives and will feed off their unbridled enthusiasm as they strive to lead the school.

In my address to these leaders, I shared the words of Margaret Mead who said "Never doubt that a small group of thoughtful committed citizens can change the world. Indeed, it is the only thing that ever has."

The Women's March 4 Justice is a case in point. Organised by Janine Hendry who had had enough. She'd never organised a rally before but her frustration and outrage gave her an idea and the motivation to act. The response was overwhelming with tens of thousands joining her, coming together for dozens of rallies around Australia to protest sexism and violence towards women.

I commend those in our student body who have come out in recent weeks in support of each other and in support of equality.

As a Co-Ed school that sees mutual respect as the cornerstone of our philosophy, we aim to instil in our students that compassion and sensitivity to others are qualities of strength, not weakness. I hope that as a school we continue to provide an environment where students are free to express themselves, support each other, and to have ideas that can have a positive effect on the world.

This week saw The Year 7, 8, and 9 Seminar Days taking place. We were exceptionally lucky with the weather as all the field trips had just arrived back at school following successful mornings when the heavens opened and torrential rain descended.

Year 7 began the day with an eco-orienteeering course throughout Centennial Parklands. The expedition enriched their studies in mapping skills and the natural landscape. Following a picnic lunch, students immersed themselves in The Ian Potter Children's Wild Play Garden. The Garden let students explore the wonder of nature with dry creek beds, an artesian water play area, a bamboo forest, banksia tunnels, turtle mounds and a treehouse.

Year 8 students visited the Jewish Museum and took part in a Human Rights workshop. The focus was on cultural awareness and integration which facilitated a broader understanding of multiculturalism within Australia.

Our Year 9 Geographers began Seminar Day with a First Nations Food Workshop in the Royal Botanic Gardens. Students learned about the history of food in Australia, before preparing and tasting native cuisine that has been eaten on the continent for millennia. Following lunch, students surveyed the natural and human elements of the Gardens, using equipment to measure the wind speed, temperature and gradient of Sydney's landscape. Such a worthwhile field trip was enjoyed by all.

Year 9 History students went to the Museum of Sydney and The Rocks Discovery Museum to take part in a day of interactive learning and source analysis as part of their just-completed 'Movements of People' unit. It was an amazing opportunity to engage with local, state, and national Australian history, compare the experiences of convicts, free settlers, and Aboriginal people to that of those in Europe, Africa and the United States and apply skills and feedback from their recent cycle test.

On the sports front:

Last Saturday two of our Tennis Teams played in the Finals of the Northern Suburbs Schools Tennis Championships. Justin Zhao and Justin Pamer teamed up to take out the Division 1 Final. Both boys are in Year 8 and they have played throughout the season against students from as old as Year 12. Both are excellent players and winning this title is an outstanding achievement.

Sam and Zac Chiman played in Division 5 and won the Championship over a team that was much bigger and stronger. The twins used their skill and expertise to overcome the size difference and wore their opponents down to win the match. Zac had a big week last week being in the team that took out the CDSSA Championships but on this occasion, it was Sam who dug deep under extreme pressure to keep the team in the match. Well done to both teams.

Freddie Schneiderman has set the netball world on fire. Having been through a number of grueling trials and training herself to exhaustion she has made the NSW Under 17 Netball Team. This is an amazing feat particularly as she is still eligible to play Under 16s.

On top of this she has been selected to play in the Manly Under 23 Premier League Team. She will lead the Reddam Open Team next week when they take part in the CDSSA Netball Championships. This is the highest achievement of any netballer in the history of our School.

Arabella Rietze competed in 6 events at the Moss Vale Agricultural and Riding Show last weekend where she won third place in two of her events. Being the first time she's ever won a ribbon in only her second competition, I'm sure this will be a memorable occasion for her. Congratulations.

On the cultural front:

Our debaters debated against Sydney Grammar and I would like to congratulate the Year 7 team in particular for winning their first debate. Maddie MacIntyre, Sarah Mueller, Lila Macpherson and William Barouch argued that "we should ban the advertising of makeup and beauty products".

The Year 8 team of Elise Katholos, Georgie Davis, Spencer Nicklin, Jade Hastings debated that "we should introduce a quota for women in parliament".

The Year 10 team of Claudia Dean, Jaiden Chee, Eunice Woo argued that "the feminist movement should actively involve men in positions of leadership within the movement".

The Year 10 Drama students this term have been learning how to create original pieces of theatre using Playbuilding skills and Children's Theatre conventions. They presented their Children's Theatre Assessment performances to the Year 2's this week at the Senior Campus Drama Studio. The young audience was treated to original interpretations of Cinderella, Sleeping Beauty, Goldilocks and The Three Bears and Repunzel and thoroughly enjoyed the audience participation, puppetry, physical comedy, dance and song. Well done to all the Year 10's for creating some outstanding performances!

Congratulations to Chloe Parche who is featured in DiscoverNu for her stunning debut single "Moneymaker" that has been released on Spotify. Chloe is certainly a star in the making. I include the link to the article: <http://www.discovernu.co/introducing-17-year-old-newcomer-chloe-parche/>

Next week will see the High School Musical, Beauty and the Beast, performed at NIDA. Our students are extremely excited to be able to perform to an audience following the cancellation of the show last year due to COVID. Rehearsals have been going well and Mr. Hattingh reports that he is very excited about next week's performances.

The Middle School students will attend the matinee performance on Thursday and Wednesday and Thursday evening performances are almost sold out.

Art retreats are in full swing over the next three weeks. Year 10 Artists go to Q Station this weekend with Year 11 going next weekend. The first week of the holidays sees the Hamilton Island Art retreat taking place for any students from Year 8 - Year 12.

Have a wonderful weekend and week ahead.

Keep dry!

NARRATIVE PLAYBUILDING WITH YEAR 9 DRAMA

This term our Year 9 Elective Drama students were tasked to create a narrative playbuilt performance based on a children's picture book. Our students were taught a variety of playbuilding techniques to assist them in the development of these narrative performances. The result was a series of highly entertaining and creative pieces showcasing Year 9's ability to develop characters and tell these stories in dynamic and original ways.

MUSIC NEWS

We're thrilled to let you know that Year 9 Music students will be among the first in all of the Inspire schools around the world to participate in a 2 day workshop with an Artist in Residence through the Inspired by Berklee program. Mina Yu, a graduate from Berklee music school in the USA, is coming to Reddam Sydney to work exclusively with our students in a hands-on ensemble performance workshop in the last two days of this term.

The workshops will be a hands-on practical music-making experience for our students where they will learn about:

- Musicianship/Practice Techniques
- Styles, Grooves & Accompaniment/Ensemble Skills
- Style Lab (Rhythm section / Frontline integration)

The sessions will be lead by Mina and supported by Reddam Music Staff & Specialist Tutors, and will culminate in a final Workshop Showcase (Thursday 1st April @ 6pm in Adelaide Hall) where parents can come and hear what students have been working on over the 2 days, in addition to some extra performances from our Year 9 classes and from Mina.

Students have already been preparing large ensemble items for this event (in class) and will need an additional rehearsal on Monday 29th March from 3.45 - 6pm in order to finalise their band items.

Due to this being in Week 10, we ask that attendance at this rehearsal and during the 2 day workshop and performance is prioritised above all other Reddam commitments. Ensemble playing is a team effort and requires all members to be present to achieve the ultimate goals of the session.

We're so excited to be selected as a pilot school for this unique, world-class initiative by Inspire and look forward to seeing how the students develop through the experience. Following this event, we look forward to future opportunities through the Inspired by Berklee program that can be shared by other year levels in Reddam Sydney. For more information on Mina Yu and the Inspired by Berklee partnership (and a range of student resources), please visit <https://www.inspiredbyberklee.com/>

REDDAM SKI CAMP

2021

Winter - Sunday 11th July - Friday 16th July

This camp has been designed by skiers/boarders to give students maximum time on the snow. We will be staying at Snowy Gums Lodge at Smiggin Holes and skiing at Perisher. Subject to conditions we aim at skiing 9.00am to 5.00pm each day. Staying on snow allows us to monitor conditions across the entire resort. On the blue sky days we will be there for the 1st lifts and if there are blizzards we can keep our students warm and dry in the lodge and avoid the chaos on the road up to the ski fields. With experienced and enthusiastic teachers, the students will have a great time on the snow!

Please see Mr Kable for a booking form or email: phil.kable@reddamhouse.com.au for further details.
