Dear Parents and Caregivers,

Welcome back to Term 2. I trust all families had a wonderful holiday and that students have returned to school rested and raring to go.

At the very end of last term we had the first of the Inspired by Berklee, Artist in Residence programs with Mina Yu. A mini documentary on the music workshop is being produced and here is a snippet of the fun enjoyed by the students. The concert on the last evening of term was the culmination of their work and we were privileged to hear a number of their original works composed during the two days.

Max Gertler's report can be found later in this newsletter.

We would like to welcome babies born to two of our teachers during the holidays. Richard Ives and Sarah, welcomed Alexander Michael Ives and Phil Francis and Tanya became the proud parents of Tilly Promrak Francis. Both proud dads will be on paternity leave during the next two weeks. We wish both families well.

Also in the holidays the Art Department ran a retreat to Hamilton Island. Mrs Symonds reports that "Hamilton Island was phenomenal. The students were amazing. We did workshops in drawing, watercolour, photography, environmental sculpture. They worked with the artist in residence at the Hamilton Island Art Gallery and created an acrylic on canvas painting.

They created amazing artworks, all tropical, island and yacht themed. The students loved seeing what each other created. Apart from the art, we hiked up to Passage Peak, the highest point on the mountain, loved the water sports, sailing, stand up paddleboarding and kayaking. A wonderful experience all round"

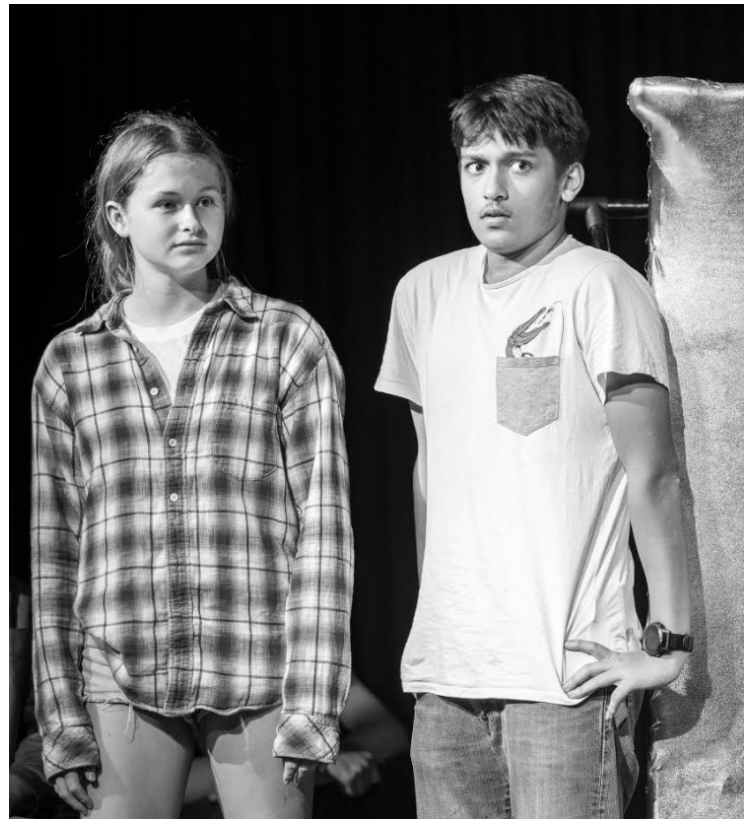

The Drama Department were exceptionally busy in the holiday rehearsing for the double bill:

'Chaos' by Laura Lomas and 'Pronoun' by Evan Placey. I have not stopped thinking about these two plays since watching them on Wednesday night. I am so proud of the students for handling very sensitive, relevant topics with such maturity. Topics such as relationships, climate catastrophe, love, violence and tolerance. Their performances induced conversation and deep thought by not only the cast while preparing, but that of the audience.

The Year 9 and Year 10 Drama students attended the matinee performance on Thursday and will certainly have been inspired, building their appreciation of theatre and supporting their peers. Plays such as these have a way of developing and enhancing students values, attitudes and beliefs. Thank you to Mr Hodgson and Montgomery for their dedication and commitment to their students.

The Year 7 parent and student study skills workshop facilitated by Dr Prue Salter on Wednesday night was well attended and received positive feedback. The timing could not be better as the students can put the skills to which they have been exposed into practice in the buildup to examinations at the end of this term.

Our debating teams took on Scots College on Friday night with the victorious Year 7 and Year 9 teams arguing that “celebrities who break the law should receive harsher punishments than ordinary people and that “we should not pay welfare to parents who refuse to vaccinate their children”. Well done to Mariana Machkevitch, Lila Macpherson, Maddie MacIntyre and Sarah Mueller of Year 7 and Samuel Derakhshandegan, Jo Gilliat, and Ben Price of Year 9.

The ANZAC Assembly is always an appropriately solemn event held this Friday.

Many of our students represented the school at various ANZAC services last Sunday. Year 7 student Sarah Mueller represented Reddam House at the Mark Moran Vaucluse Aged Care Facility. She played the Last Post on trumpet for the gathered veterans and residents and performed with poise and professionalism. She is pictured here with Woollahra Mayor Susan Wynne. We are very proud of Sarah for her contribution to the local community and for representing our school so well.

Miles Yuen also supported our community on ANZAC Day, by performing with Bondi Brass at the Coogee Beach dawn service.

Student achievements during the holidays include:

Callum Flint is heading to South Australia in May for the Australian National Baseball Championships. The Year 9 student's representative team, the Ryde Hawks, won the NSW state title over the April holidays. Callum drove in multiple runs over the four-day state tournament, and had no runs scored against him when he pitched.

Jacob Hazan of Year 7 was involved in the NSW State Little League Baseball Tournament and his team, Cronulla, won the title. This huge accomplishment qualifies the team for the Little League National Tournament to be held in Lismore in June. There will be 12 teams competing from all over Australia, with the winner representing Australia at the international event in the United States - The Little League World Series.

Frankie Kogan participated in the State Latin dance competition. He and his dance partner placed First in the 2021 ADS State Super Spectacular NSW Latin dance competition, in both of their categories - Junior B grade Latin & Junior Open Latin.

Please see below the link to their performance on YouTube.

Arabella Raetze had her first win in a horse jumping competition at the Shoalhaven jump club last Saturday (the April Informal Competition) Well done to Rocky and Arabella.

We are looking forward to the 2021 Ballet production, More than A Decade of Ballet at Reddam House, which is to be performed in Week 3 of this term at NIDA. Tickets will be placed on sale on Monday May 3 at 10am and can be purchased from the following link:

<https://premier.ticketek.com.au/shows/show.aspx?sh=DECADEOF21>

A reminder that an information evening will be held in regards to Ocean School next week.

Next week we start the first Parent/Teacher/Student Interviews which will be held via Google Meet again this year. This follows both parents and teachers really enjoying the flexibility that online interviews offered last year. You will have the opportunity to book a meeting with your child's subject teacher and have a virtual meeting. An email was sent home with all the particulars of these meetings on 23rd April.

Have a good weekend and week ahead. Ramadan Mubarak to our Muslim community as they observe the holy month of Ramadan.

## INSPIRED BY BERKLEE ARTIST IN RESIDENCE PROGRAM

On the last 2 days of term, students of the Year 9 Elective Music Course participated in a 2 day program run by Mina Yu, a graduate from the Berkeley School of Music and Artist in Residence for the Inspired by Berklee partnership.

It was a lot of fun and in the lead up to the event, we spent many music lessons rehearsing ensemble pieces as a band. In the first workshop, Mina taught us about different genres and styles of music such as Latin Jazz, Swing and Rock. We then split off into our groups and had the task of turning one of our songs that we had learnt into a different genre. My group changed Rock With You by Michael Jackson into a jazz piece. This task was really unique and interesting as it gave the song a whole new sound.

Our next workshop was about composition where Mina gave us certain parameters such as chords and structure, and eventually we settled on roughly how the song should sound. Next, through lots of trial and error and working collaboratively together, each section of the ensemble figured out what they should play and wrote lyrics. This exercise allowed everyone to explore their creative side to contribute to the final product. Mina's final workshops focused on working together as a band and what is needed in order to present a good performance. These tips and techniques were very helpful and definitely helped us fine-tune our pieces ready for the final concert where we all came together to show our friends and family what we'd learned.

This event was such a great experience and i would like to thank all the staff who helped organise it.

## WOMENS EMPORMENT DAY FOR GIRLS

This Monday the Women's Empowerment Portfolio hosted a volunteer day at the Bondi Campus to make sustainable period products for women in disadvantaged communities. Volunteers from Days For Girls, an organisation who works to advance menstrual equity, health, dignity and opportunity for all, came to the school to lead 40 students from years 9-12 in making sanitary products.

One of the members of Days for Girls offered an insightful presentation about menstrual inequity, stemming from stigmas surrounding female health in certain cultures as well as economic barriers. It was a really fun and educational day and we're very appreciative to all those who made it possible. If you'd like to support Days For Girls and their valuable work, please visit their website [daysforgirls.org](https://daysforgirls.org)
