Dear Parents and Caregivers,

Mr. Kable is rightly proud of our mighty Cross Country Team of ninety Reddam students from Year 7 to 11 who travelled to Queens Park to compete in the CDSSA Championships. We started the day off in red hot form dominating the 12s Boys, placing 1st, 2nd, and 3rd. Our team looked strong all day and the efforts of our runners were outstanding. At the completion of all the races, Reddam House was crowned the Champion School for 2021. This achievement was special as every one of our runners contributed by pushing themselves to the limit and moving through the other competitors in the race to ensure our team finished on top. We had 3 CDSSA Champions in their respective age groups being Oscar Bakes, Sophia Garvin, and Tomi Reynaldo. Along with this, we had another 31 students selected to represent CDSSA at the coming AICES Cross Country Championships. Congratulations to all our runners. More on cross country later in this newsletter.

This week has also seen the reintroduction of NAPLAN following its cancellation last year due to COVID. Our Year 7 and Year 9 students wrote two of the four required tests this week and will complete the remaining two next week. These online tests were managed well by our students. I thank Mr. Smith for his organisation and for ensuring that the students were prepared for them.

On Tuesday we continued our Parent/Teacher/Student evenings with the Year 12 interviews happening face-to-face at Bondi, while Year 7 - Year 9 parents and their children met their teachers via Google Meet. We received such positive feedback from both sets of parents that we might send out a survey to garner the opinion of all the parents on their preferred method of these meetings so that we can best plot the way forward in the post-pandemic world.

This week has been another significant week on the cultural calendar with the whole school ballet, "More than a Decade of Ballet at Reddam House" performed at NIDA on Wednesday and Thursday evenings. This was an evening showcasing the poise, grace, elegance, and versatility of all our dancers from Kindy to Year 12. Delia Harrington, assisted by Emily Knight, needs to be congratulated for choreographing and perfecting performances that included every level of the 120 dancers, blending all the different levels into routines that flowed smoothly while maintaining the quality of performance. Truly inspirational. Many parents were overheard reflecting that it was hard to comprehend that this was a school production.

Congratulations to Mr. Wallace and his debating teams. For the first time, we have two teams that have made it through to the Grand Final of the Eastside Debating Competition. Years 9 and 10 are through to the Grand Finals to be held on 21st May at Sydney Boys High School.

In the semi-finals, the Year 9 team of Otto Torazzi, Samuel Derakhshandegan, Jo Gilliat and Ben Price won the argument with Sydney Girls suggesting that “developing countries should never hold major international sporting events”. The Year 10 team of Jaiden Chee, Claudia Dean and Eunice Woo argued that “climate change activists should not focus on lobbying corporations and should change individuals' behaviour and consumption”, edging out Scots College. Congratulations also to the Year 7 team on making it to the semi-final where they were beaten by Sydney Girls.

On Thursday Edan Angus and the middle school Sports Portfolio held a mufti day and lunchtime dodgeball competition to celebrate 'Sports Week'. The day raised \$433 for a very worthy charity called [Fair Game](#), who provides health and fitness programs and sports equipment to remote Indigenous communities. It was fantastic to see the Reddam Community giving back to help children who don't have the same opportunities to experience the joy and health benefits of playing sport!

Year 12 Students had UNSW come and give them an information session on the courses offered and the Clubs and Societies that are available to them at that university. A very real and relevant discussion at this time of the year as our Year 12 students start looking ahead at where they might study post-school.

The Year 10 and Year 11 students had the privilege of being addressed by Sharon Hudson-Dean on Friday. Sharon is about to complete her four-year role as the US Consul General in Sydney.

Individual accolades this week go to:

Mia Seisun represented Reddam at the Plain English Speaking Competition last Friday where she gave an 8-minute prepared speech on "The Modern Tabloid" and a three-minute impromptu speech on the topic of "Without a Doubt". She, once again, was a fierce competitor, and while her speeches were both outstanding, the standard of competition was very high and she, unfortunately, was not chosen to progress to the next round.

Jasper Hartmann (Year 7), created an artwork for the Wombat Books Illustration Challenge. His work will be published in a new book 'Can I Sleep Tomorrow' which is due for release in 2021. His illustration will accompany the following text:

Mum, I just can't sleep tonight. Can't I try again tomorrow?'

'Just relax and use your imagination, Chloe. Think about calm things.'

I try to think about butterflies, flowers, and gentle music, but my imagination is much more exciting.

Have a good weekend and a great week ahead,

Dave Pitcairn

TEDx

TEDx is an event to research and discover "ideas worth spreading". To have this event organised, managed and run by Reddam students is a major accomplishment.

You can be part of this fun, exciting event for 2021 by joining the TEDx Executive team. We need people to fill roles such as; Event management, marketing, finance, speaker organisation and many more. We are looking for enthusiastic students who are interested in spreading new ideas. The theme for this years TEDx talks is "No matter how small" and the event will be held on Saturday, 14th of August.

To join or ask questions, please contact me directly or fill out [this](#) form.

This year students from Reddam House will be embarking on an epic journey into the heart and soul of Australia's heritage. We will get the unique opportunity to explore parts of Australia that require special permission to enter from Indigenous Elders. It is our chance to get educated by Australia's First Nations people on the importance of connection to country, community life and sustainable living. The overwhelming amount of knowledge and wisdom will leave a lasting impression on our students, to take into the future.
