- Plus much more...

Dear Parents and Caregivers,

This week has been another busy week for our students before they settle into Half Yearly Examinations, which start on 11th June for all students, except Year 12 students who start on 17th June. By now I would imagine all students are well into their preparations for these, coordinating their studies around their busy schedules.

The Vocal competition was the culmination of a process whereby at least one hundred students submitted online recordings of their vocal performances. These were adjudicated, feedback given, and finalists selected, who performed their pieces live in Adelaide Hall on Wednesday evening. The adjudicator on the evening, Dr Rowena Cowley from the Sydney Conservatorium of Music, was left speechless by the talent on display and found it exceptionally difficult to separate performers from each other. She however made the following awards:

Year 7 to Year 9

- Gold: Jeb Barth
- Silver: Natasha Green
- Bronze: Ella Kirby
- Highly Commended: Nathan Galper, Sophie Marcolina and Hugo Nicolau Borde Bergeret

Year 10 to Year 12

- Gold: Jordan Sarkis
- Silver: Kate Aruman
- Bronze: Nicole Geller
- Highly Commended: Zachary Ahrens, Gabriel Jones, Louis Fontaine and Lili Ogrin

An email from a parent summed up the fantastic evening " The way the room was set up was so special. The lighting, flowers, and symmetry in the organisation was beautiful. A unique and beautiful performance space for our children and us. Thank you so much for making the students centre stage and feel so special and to all the Music Staff who worked so hard to create a seamless and sophisticated occasion."

On Tuesday, forty-six Year 11 students journeyed to Longneck Lagoon in Scheyville National Park to learn how to conduct a field study of an ecosystem. Despite an air temperature of 8°C on arrival, students cheerily collected qualitative and quantitative observations. They drew a transect of the forest and measured such things as canopy density, light intensity, soil pH and humidity at different points. They also tested the nearby waterway for such factors as pH, dissolved oxygen and turbidity. Of great interest to all was the dipnetting activity where we tried to scoop out tiny living things in the waterway. We were able to find caddisfly larvae, dragonfly nymphs, tadpoles and a shrimp!

From all the data collected, students will be preparing a Depth Study to explore why microbats, which inhabit Longneck Lagoon, are on the decline.

On the Sports Fields, we have come to that time in the season where “Representative Teams” are being selected in the various sports. Congratulations to our students who competed for CDSSA at the AICES Championships and to those selected to now represent AICES at the NSW CIS Championships.

In Touch Football 16 of our students went to Penrith representing CDSSA at the AICES Championships. Harison Walker, Liam McMaster, Sebastian Canturi, and Tommy Malki all played in the U15 Boys Team who finished 4th on the day. Congratulations to Sebastian Canturi for being named as a shadow player for the U15 Boys Team to play at the NSW CIS Championships.

Lily Cyron, Maya Harris, Emma Rosenberg, Diana Van Geuns, Savannah Charles, and Willow Robinson all played in the 15s Girls who finished 3rd in the Championships. Tali Shapiro, Aaliyah Ibrahim, Zoe Kertesz, Odette Neil all played in the Open Girls and finished runners-up in the Championships.

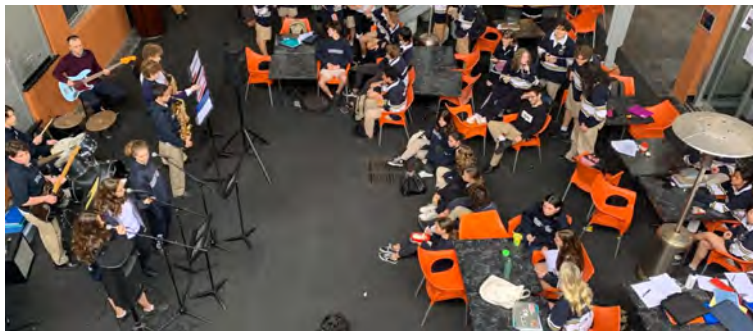

The stars of the day were the Open Boys who won the Championships with Janine Hinds as the coach and Harper Mulligan and Jayden Reynolds in the team. Jayden was rewarded with selection in the AICES Opens Boys team to play at the NSW CIS Championships.

In Cross Country, thirty-five Reddam students travelled to The Sydney Equestrian Centre to compete in the AICES Cross Country Championships. Representing CDSSA our students gave their very best and ran their hearts out. Eight of our team were rewarded with a position in the AICES Team to compete at the NSW CIS Cross Country Championships. Congratulations to Robert Tymula, Dion Ryan, Malo Field, Sam Daniels, Sophia Garvin, Jayden Finucane, Harrison Walker, and Maya Harris.

The Commercial Ensemble performed a Lunch-time Concert in the Courtyard at Bondi on Thursday and Mr. Tallis reported on a moment during this performance that left him realising that our students really live the mantra of "It's Cool to be Kind". He reported that "there was a point at which one of our singers, who was actually quite sick and only came to school for the performance, cracked a really noticeable high note. She started to cry, but the immediate rapturous applause from everyone in the crowd got her through to the end of the song and the rest of the gig. It was instant, everyone at once. They empathised with her at the moment and did what had to be done. It was a really nice moment. We had a wonderful time."

My thanks to the Commercial Ensemble for the lunch-time entertainment and to the respectful audience for their empathy and appreciation.

The Sydney Eisteddfod continues with many students involved in the various categories. The choir and concert band entries are recordings this year which are then submitted online. Our recordings took place this week on Monday and Tuesday.

Adi Alroy continues to receive accolades in the Sydney Eisteddfod in the Prose Speaking (14-15 Years) where she was awarded 3rd Place for her performance of the opening of Tale of Two Cities by Charles Dickens. Congratulations Adi.

This weekend the Radio Announcing Competition takes place, for which many of our students have been preparing.

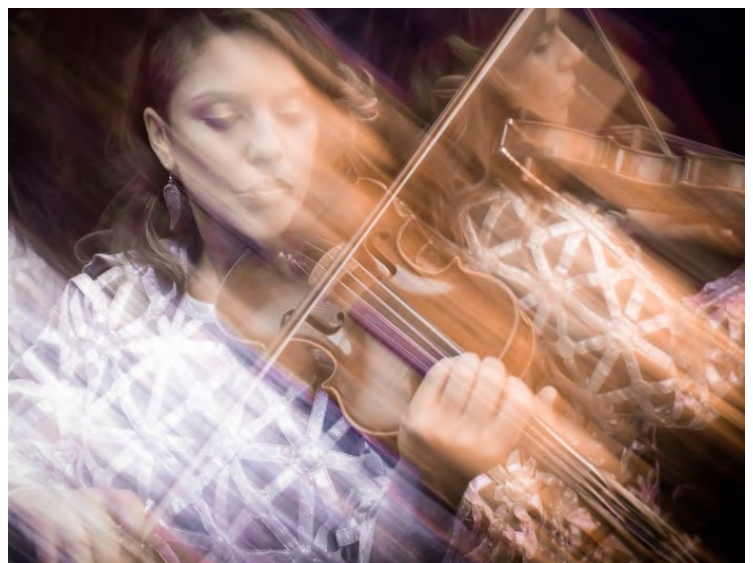

On Tuesday 8th June, a special guest-artist, Veronique Serret, will be holding a Masterclass/Workshop for our senior string students from 4 - 5.30pm at Woollahra.

Veronique is an international performer whose passion for both classical and modern music have seen her featuring as a soloist for many orchestras, new-music projects, rock stars and work for film and Netflix productions.

A selection of senior students will be receiving tips and advice on the preparation of their pieces for HSC and Performance Examinations in an 'open-lesson' format. A number of string students have been invited to watch the class and take notes which is a very worthwhile experience for budding musicians. If there are any students who have not received an invitation and who might like to attend, please email

Courtney.wood@reddamhouse.com.au

for more information. Veronique's biography can be found here: <http://veroniqueserret.com/bio/>

Have a wonderful weekend and week ahead,

Dave Pitcairn

DRAMA

YEAR 10 DRAMA ASSESSMENT

Year 10 Drama students completed their Term Assessment this week with the presentation of some outstanding performances from Hilary Bell's 'Wolf Lullaby'. This term the students have been studying Realism and the Russian Theatre Practitioner Konstantin Stanislavski. Utilising Stanislavski's techniques enabled them to bring their scenes to life. Congratulations to all the students involved.

THEATRE CLUB PRODUCTION OF 'DOGGED' PRESENTED BY GRIFFIN THEATRE COMPANY

This week our Theatre Club students across Years 9-12 attended a production of 'Dogged' by Andrea James and Catherine Ryan. We were shocked and drawn into the Australian bush with a woman on the hunt and a Mother dingo desperately searching for her lost pups. The SBW Stables stage was transformed into a dingo's den, with our students confronted by the energetic and graphic choreographed sequences of this deeply confronting Australian Gothic narrative.

ATTENTION YEAR 10:

Finding Work Experience—

How to choose the right work experience opportunity

Work experience is a fantastic way to learn more about different career sectors and job roles and to really get a 'birds-eye view' on how different companies operate.

Work experience is proven to be a vital stepping stone to longer-term career success, as it helps you to develop job-ready behaviours and can be a magnificent boost to your confidence in getting on in the workplace.

But not all work experience is created equal, and it pays to spend some time thinking about what opportunities will offer you the best next steps. It's easy to think you should just grab onto any opportunity that comes your way, but you can – and should – think more carefully and make sure whatever experience you gain adds value to your career growth.

YEAR 7 SCIENCE

Our Year 7 students were thrilled to create their very own animal and plant cell models in Science this week. They used jelly and lollies to represent the different organelles within each type of cell, and very much enjoyed eating the leftovers!

This year students from Reddam House will be embarking on an epic journey into the heart and soul of Australia's heritage. We will get the unique opportunity to explore parts of Australia that require special permission to enter from Indigenous Elders. It is our chance to get educated by Australia's First Nations people on the importance of connection to country, community life and sustainable living. The overwhelming amount of knowledge and wisdom will leave a lasting impression on our students, to take into the future.
