Dear Parents and Caregivers,

Winter has well and truly arrived with Thursday recording the lowest maximum June temperatures since 1984. This bodes well for those skiing enthusiasts who are heading to the ski fields this coming holiday, with at least half a meter of snow reported at Thredbo overnight. Mrs. Symonds could not have sent the information of the annual Year 10 Ski Camp, in August, home to parents at a better time. Mr. Kable has also been excited about this drop in temperature as his plans for the Reddam July holiday Ski Trip to Perisher for ninety-two skiers and snowboarders come together. This trip is at capacity as it is always a highlight on the school calendar.

Last Saturday the 5th of June was World Environment Day. Evie Zavos reports on the events they arranged: "To celebrate, the Year 9 Environment Portfolio organised a bake sale and Games Lunch for the Earth. Despite the rain, the Bake Sale was a huge success, with over \$700 raised going towards recycling at school. On Friday 4th June, we invited the Hon Dave Sharma, MP to our assembly for a live Q&A. We asked Mr Sharma questions, ranging from the Student Strike for Climate Change Movement to the recent court finding, that the inaction of our government on climate change might fairly be described as the greatest intergenerational injustice ever inflicted by one generation of humans upon the next. Mr Sharma expressed his support for schools and companies to adopt Net Zero policies, something that we look forward to discussing with Mr Pitcairn in the future."

I could not have been more proud of this group of students for their initiative, organisation, and thoughtful activism and look forward to meeting with Evie and her portfolio to discuss how the school can get behind their drive.

On Sunday 6th June, many of our Reddam students entered the Sydney Eisteddfod Radio Announcing Competition at Fine Music FM in St Leonards. All students had five minutes to prepare, after which they were recorded reading the news in the radio studio. This is a wonderful opportunity for our pupils, and we congratulate every one of them who participated.

A special congratulations to the following who achieved awards:

Jamie Levitt presented a speech at the NSW State Parliament on Wednesday. He joined Governor Margaret Beazley and Premier Gladys Berejiklian, for the launch of a new Anti Racism Campaign. Jamie was asked to speak on behalf of the Youth of Australia. Well done Jamie.

Coco and Jet Batu Sampson have won the Best Film/ Video in the 36th Annual Waverley Youth Art Prize 2021. The theme this year was We Are Family, Ancestors, Bloodlines and Belonging.

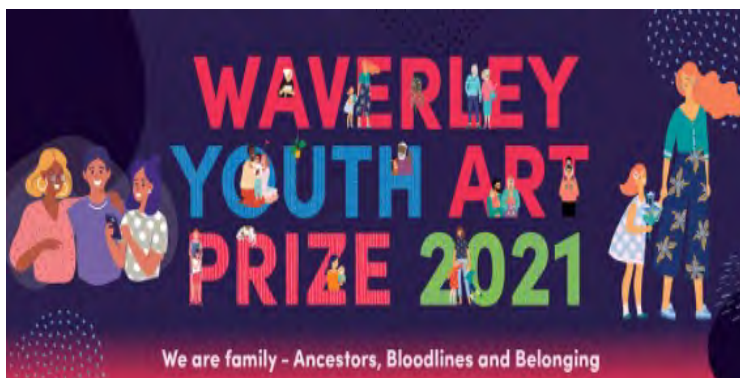

Their film, We Are Family, together with an original soundtrack impressed the judges who announced that they really demonstrated the value and importance of family and that their film was a joy to watch.

Other student achievements this week include:

Jasmine Birkhold is receiving an award as part of the patrol team that won patrol of the year at Bronte Surf Club. She helped attend to a critical incident caring for the very distressed partner of the patient. She was commended for her calm, warm, mature and caring attitude while acting with self-assurance and confidence.

Jasmine is the youngest on the patrol by several years and has been patrolling since she was 13. The patrol will be given their award in a ceremony on 25th July. There is nothing nobler than being involved in saving another person's life, congratulations Jasmine.

Grant Stein is playing for Randwick Opens in NSW State Rugby Championship this weekend.

He is one of two players not from a traditional rugby school in the team. Well done Grant.

Half- Yearly Examinations started today for all students except for the Year 12 cohort who start next Thursday. The Queen's birthday weekend could not come at a better time for students who can use this time to prepare for the upcoming assessments.

Have a calm week ahead,

Dave Pitcairn

DRAMA

This week both Year 7 and 8 have been busy presenting their Half Yearly Performance Examinations delighting their classmates and showcasing their performance skills. Year 7 displayed their superb improvisation and playbuilding skills devising comical scenarios and quirky characters. Whilst our Year 8 Drama students performed in white face masks entertaining audiences with their mime and movement skills. We are proud of the hard work our Middle School students have put into their assessment performances.

MUSIC NEWS

On Sunday May 23, some of our students competed in the Sydney Eisteddfod Instrumental Duets event. NEW ORLEANS STREET BAND

Congratulations to the students in the New Orleans Street Band for their exciting debut performance at our special assembly last Friday. We can't wait to share more of their energetic and entertaining work. New members are welcome on any instrument, and the students rehearse on Thursdays at lunch time in the Music Terrace.

Our teachers are busily preparing the videos for our Sydney Eisteddfod entries, which saw over 350 Reddam students film in one of our 11 ensembles last week. These musical items are very special, and we look forward to sharing them when they are ready, and also to sharing news of our results.

We are proud to share footage and photography from our recent music events with you.

HEBREW WRITING COMP

In some very exciting news, Maya Antonir in year 8 and Charlie Spiro-Atzmon in year 10 recently won the University of Sydney's Department of Hebrew Studies in association with JNF Australia a Hebrew writing competition with both of them presenting excellent pieces of writing on their dream career and the introduction of Australia to a tourist. Dr Yona Gilad from Sydney University came on Thursday to present these students with their first-place awards and Westfield gift voucher for their accomplishments. Both students recall the experience as a fun and challenging way to test their vocabulary and Hebrew writing ability.

Best hopes for the rest of our Hebrew students next year!

At SEDA College, students with an interest in the sports industry complete their HSC in partnership with our high-profile sporting partners in cricket, AFL, basketball, soccer, netball and rugby league.

Our students complete a very practical and active HSC program in Years 11 and 12. Along with their HSC, they also attain coaching qualifications in their selected sport, a Certificate II in Business (Certificate III available in 2022) and a Certificate III in Sports & Recreation.

It's important to note that our students don't need to be elite sportspeople, they simply need to love sport. The College also values a range of attributes when assessing scholarship and bursary applications.

Merit Scholarship applicants don't need to be straight-A students or elite sportspeople but will be able to demonstrate their commitment to the College's core values through a history of sporting involvement, com-

munity volunteering and academic accomplishments. These scholarships cover partial school fees for our program.

The **Kickstart Award** is a full bursary covering all school fees for our two-year program and aims to support the following students:

Students of Aboriginal and Torres Strait Islander descent, and/or; Students from any background where one or both parents have not completed Year 12, and/or; Flinders University will once again be offering UniTEST to your current Year 12 students as an entry pathway for 2022.

Finding Work Experience

How to choose the right work experience opportunity

Work experience is a fantastic way to learn more about different career sectors and job roles and to really get a 'birds-eye view' on how different companies operate.

Work experience is proven to be a vital stepping stone to longer-term career success, as it helps you to develop job-ready behaviours and can be a magnificent boost to your confidence in getting on in the workplace.

But not all work experience is created equal, and it pays to spend some time thinking about what opportunities will offer you the best next steps. It's easy to think you should just grab onto any opportunity that comes your way, but you can – and should – think more carefully and make sure whatever experience you gain adds value to your career growth.

ATTENTION YEAR 12 WISHING TO APPLY TO A RESIDENTIAL COLLEGE FOR THE UNIVERSITY OF MELBOURNE-

students applying to University of Melbourne and Monash Pharmacy programs.

Semester 1 2022 applications are open now –

Intercollegiate protocol requires that applicants apply to only one of the residential colleges affiliated with the University of Melbourne. Students do this by applying to the college of their first preference, then listing other colleges as subsequent preferences on their application form. Early applications are encouraged and provisional College offers may be available, subject to accepting a University course.
