- Plus much more...

Dear Parents and Caregivers,

This week has seen all students focused on their Half-Yearly Examinations. Both campuses have been quiet as students single-mindedly get on with their own preparations for these assessments. Year 10 and Year 11 will continue until the last day of term next Friday. Year 12 continues into the holiday period for another week completing their exams on 2nd June.

Year 7, 8 and 9 students complete their exams today and will follow their normal timetable next week, finishing school at 3:30 pm each day. They go into the very important phase of this assessment period which is receiving feedback from their teachers. My challenge to all Middle School students is to take this process as seriously as they did their preparations for the exams. They should be able to completely understand the areas where they were marked down in the exams and should they receive the exact same paper by the end of next week, they should aim to be able to get 100% having rectified their mistakes. It is this growth mindset that will see students on a continual trajectory of self improvement.

The Eastern Suburbs got a COVID scare this week with a timely reminder to all of us that the virus has not disappeared and that precautions still need to be taken in the form of regular hand sanitising, getting tested if showing the slightest symptoms and not coming to school while ill. So far it looks like the cluster is a small one that has affected very few people in our school community. Those who were at any of the NSW Health listed "hotspot" venues have been tested with negative results.

The Queen's Birthday weekend was a welcome opportunity for most of our students to get prepared for this week's exams but for some, this weekend was the culmination of their winter season of sport with many of the NSW Championships taking place.

Congratulations to the following students on their achievements over the weekend and in this last week:

Grant Stein, playing for Randwick, won the NSW Rugby State Championship vs Warringah Rats in the final. It was a very tough weekend, with 11 teams competing this year. Good result Grant, well done.

The Australian Fencing Circuit #2 Competition took place in Adelaide where Joseph Glasson obtained a bronze medal in the Senior Men's Foil category.

Sophia Glasson also won her first senior women's medal in the Senior Women's Foil category. For Sophia, being only 13, to win a bronze medal in the Senior Women's Foil at a National AFC 2 is an incredible achievement. Congratulations to the Glasson siblings.

This week Freddie Schneideman and her teammates in the CDSSA Open Netball team travelled to Homebush for the AICES Open Championships. CDSSA have never won this event but this year they annihilated the competition winning and defeating the team that finished second by 18 points. Freddie has been selected into the AICES Open Team and will now play at the NSWOCIS Open Championships.

More good news on the netball front with Zoe Catzel and her teammates from Norths finishing up third at the State Championships that were played over the long weekend. Zoe is also a member of the AICES Under 15 Team.

After an amazing week Jacobs Hazan's Cronulla Baseball Team, having won The NSW Championships in April, took part in the National Little League Baseball Tournament in Lismore against twelve other Champion Teams. They sadly lost in the final but what a wonderful experience for Jacob, traveling and staying with his teammates.

Maya Milanovic had a successful weekend taking part in the 52nd Hollins Trophy, which is one of the largest and most prestigious benchmark Figure Skating competitions held in Australia each year. She had a wonderful skate and finished 3rd place in the Ladies Novice Intermediate division. A few weeks ago she won this division at the Autumn Trophy held in Canberra.

Congratulations Maya, your competition season is off to a great start.

Tim Senior-Skinner won second prize in the Waverley Youth Art Award in the Senior category. Tim's charcoal portrait currently hangs in the Waverley Library on display. What an accolade Tim, well done.

Congratulations to the Year 11 Drama students who staged their Drama Assessment Performances this week. The students presented excerpts from 'Ruby Moon' by Matt Cameron that they had directed themselves, as part of their study of Contemporary Australian Theatre. Some outstanding work was produced. Well done to all involved.

Next Friday school will close for the Winter holiday at 1:00 pm and reports for Years 7- 9 will be available by Tuesday. An email will inform parents when they have been posted to the Parent Lounge. Reports for Year 10 - 12 will only be available next term as students write until the last day of term and will only receive their feedback next term.

Have a good weekend and great final week of Term 2.

## ATTENTION YEAR 10:

### How to choose the right work experience opportunity

Work experience is a fantastic way to learn more about different career sectors and job roles and to really get a 'birds-eye view' on how different companies operate.

Work experience is proven to be a vital stepping stone to longer-term career success, as it helps you to develop job-ready behaviours and can be a magnificent boost to your confidence in getting on in the workplace.

But not all work experience is created equal, and it pays to spend some time thinking about what opportunities will offer you the best next steps. It's easy to think you should just grab onto any opportunity that comes your way, but you can – and should – think more carefully and make sure whatever experience you gain adds value to your career growth.
