- Plus much more...

Dear Parents and Caregivers,

The end of the second term has come and school holidays are upon us. A time for reflection, rest and relaxation for our students and teachers. I do hope families are able to spend some time together too, reconnecting and sharing special times with each other.

I hope the examinations went well for your children and that they are satisfied with their results. If not, they can spend some time thinking about how they can change these outcomes for the last six months of this year. They will have to make a conscious change in habit, preparation, or in attitude if they are to affect change going forward. These exams create learning opportunities for the future.

The exams at the end of the year determine an outcome at the end of a process. These exams, being in the middle of that process, allow for readjustment and adaptation of practice and performance. If students used the feedback time wisely, as suggested to them in assembly last week, this should be the case.

Year 10 and Year 11 students will get their feedback next term following the completion of their Half-Yearly Examinations today. Year 12 students continue writing for another week and we wish them well with their remaining Pre-Trial Examinations and hope that they can have a relaxing, rejuvenating holiday once they complete.

Last weekend our Middle School Dance Company gave outstanding performances at the Extreme Dance Competition, receiving the following impressive results:

1st Place: In the Yr 7-9 Contemporary section

2nd Place: In the Yr 7-9 School Jazz section

This is an amazing achievement from our talented dancers, brilliantly led and trained by Emily Knight. The adjudicators commented on Emily's creative choreography, the technical skill of the students and how well-rehearsed they were as an ensemble. Congratulations to all of the dance students and to Ms Emily Knight.

Sahara Ibrahim's show 'How to do stuff good' is going to air on Monday 28th June 2021 at 3 pm on The ABC.

Congratulations Sahara, it looks like you had a lot of

Year 9 Drama students presented their Shakespeare performances this week. Each group was given the task to self-dramatise a section of 'Romeo and Juliet' in an innovative and inventive way, making sure they brought the Shakespearean text to life. Some outstanding performances were produced. Congratulations to all the students involved.

Michael Goldberg raced for Reddam in the Fox Super-flow Mountain Bike series last weekend.

Racing was at the Jolly Nose Mountain Bike Trails in Port Macquarie. The race format required riders to do timed runs on three separate downhill trails (riding up to the top of the hills each time) and adding their combined times to give their overall placing. The trails were rocky and very loose over the weekend, meaning traction and grip were scarce and there were plenty of opportunities to crash out. Despite a decent crash early on, Michael held it all together, putting in the necessary three solid runs and ending up with a top 20 finish in the U15 category.

Year 7R Geography made pet rocks this week to celebrate the successful completion of their Year 7 Geography course. They have been studying the rock cycle and geomorphic processes of change, for example, weathering, erosion and deposition. They thoroughly enjoyed making their pet rocks. Existing Reddam House students have made them for the last few years and given them out on orientation day to the new Year 7's but obviously, due to Covid, we did not this year.

Ms Dignan was asked about this by her Year 7 students and she promised they would make them when they completed the curriculum as a celebration.

She said " we make them because you are never alone with a stone. They make great pets, not much to say but they are good listeners."

The Bondi COVID cluster has played havoc with holiday plans for many families as well as many school activities which have been cancelled or postponed. Sport this weekend is cancelled, the bronze Duke of Edinburgh hike is postponed, the Northern Territory trip is postponed, with the decision regarding the Ski trip to Perisher still in the balance.

Have the best holiday possible under the current circumstances. Sydney must be one of the best places in the world to not be allowed to leave.

ATTENTION STUDENTS IN YEARS 10,11,12:

Student Engagement team at Challenges Abroad Australia is running a virtual internship program abroad. Virtual Internship program focuses on tackling global challenges in areas such as health, education, environment and livelihoods in marginalised communities. We can work with your students to ensure that the program suits their interests.

We currently offer the internship as a 3-week full time (14-16 hours per week) or 5-week part time (8-10 hours per week) program, however we are able to cater this and certain requirements to your students. The internship consists of connecting with the in-country FutureSense team, meeting with local community members, attending professional development workshops, networking with fellow interns, independent project work and receiving one-on-one guidance and support from their own internship mentor. If interested see Ms Jones for more details.

ATTENTION YEAR 10:

How to choose the right work experience opportunity

Work experience is a fantastic way to learn more about different career sectors and job roles and to really get a 'birds-eye view' on how different companies operate.

Work experience is proven to be a vital stepping stone to longer-term career success, as it helps you to develop job-ready behaviours and can be a magnificent boost to your confidence in getting on in the workplace.

But not all work experience is created equal, and it pays to spend some time thinking about what opportunities will offer you the best next steps. It's easy to think you should just grab onto any opportunity that comes your way, but you can – and should – think more carefully and make sure whatever experience you gain adds value to your career growth.

ATTENTION FEMALE STUDENTS:

Girls in Business Digital Camp at UNSW - Online

Tuesday, 6 July and Wednesday, 7 July , 9am-5pm

We welcome Year 10, 11 or 12 female high school students in New South Wales who have a genuine interest in studying Information Systems, Actuarial Studies or Banking & Finance at the UNSW Business School to join our two-day online program, which runs from 9am-5pm on both days.

YEAR 8 HEBREW

ISRAELI CUISINE

For one of the units in Hebrew this term, we learnt about foods and delved deeply into this topic. As a post exam "treat" we all made Israeli salad and tahini together. We cut up vegetables such as tomato, cucumber and many more vegetables, whilst discussing different benefits of foods in Hebrew. Next, we made a salad dressing and drank grape juice and each got an apple lolly to enjoy. We all relished in this experience and absorbed ourselves in speaking as fluently as we could in order to make conversation from words and phrases we learnt this term. Finally, we ate the salad, sharing fun experiences we each had. We even delivered Israeli salad to Mr. Garrett, who was extremely pleased to have gotten a delicious lunch. We all deeply enjoyed this activity and unit of work, especially after such a strenuous exam block.

Reddam House Middle School Drama Company 2021 presents

Scaredy-Cat

Written by Brendan Hogan

31 AUG - 2 SEPT. 2021

The debut Middle School Drama Company production of 'Scaredy-Cat' written by Brendan Hogan and directed by Chris Montgomery will be presented in Term 3 with shows running from 31st August to 2nd September 2021 held in the Middle School Drama Studio. Students from across Years 7-9 have been hard at work preparing to take their audience deep into the Australian bush as they band together to go on the hunt for an illusive panther believed to have escaped from the circus and seen prowling the bush land around the Little Trooper campsite.

Booking information to be announced closer to the event.
