REDDAM EARLY LEARNING SCHOOL ST LEONARDS NEWSLETTER

Principal's Message

By Mrs Simone Cooke

Dear Class of 2021,

What an amazing year we have shared. Each of you has grown stronger, brighter and more resilient, even a global pandemic has not stopped you in your tracks. How far you have come from those little toddlers who ventured so timidly through our Reddam doors and are now running out, full of confidence and self-assurance, ready to take on whatever life throws at you.

We could not be prouder of each and every one of you, we are privileged to have been your first teachers and to have journeyed with you. We know you are excited to be heading off to Primary School and you may not understand why your teachers and parents shed tears on this, your graduation day. It is because each of us who have educated, cared and loved you along the way cannot believe how quickly you have grown. We remember all too well the moments when you took your first steps, made your new friends, fell and grazed your knee and lost your first tooth. We have been there every step of the way guiding, encouraging and supporting you as you have grown and flourished.

We know that you will take with you many treasured memories of your time at Reddam. It is our philosophy and belief, that each of you are competent and capable learners, who deserve the best educational experience possible. We have provided you with inspirational teachers who are to be commended for providing you with the best possible foundations for your future success as learners. Our wish for you is that you will have a lifelong love of learning and that each of you are given the opportunity to reach your full potential as learners and can continue to be the empathetic, talented self-assured individuals that stand before us today.

Stage 4, the time has come for us to say goodbye and to send you on your way to a new, exciting journey. Remember to make 'good' choices, treat your friends nicely, use your gentle hands and kind hearts. Remember to always be curious, ask questions

and find solutions, care for the world around you and be courageous as you tackle new challenges.

You may be leaving us for now, but Reddam is a richer place for having you with us and you will remain forever in our hearts.

Now go out and make us proud!

Merry Christmas everyone x
